ADULT DAY SERVICES

A CLASSROOM AS BIG AS THE COMMUNITY

In Adult Day Services, or "ADS", participants are involved in engaging classes and community activities.

Every moment can be a teachable one for our participants, whether they are learning, volunteering, or socializing within the community. Staff assist individuals in creating a purposeful and enjoyable day based on interests, needs, and personal goals.

Each day, our staff members support individuals as they learn more about life skills, interacting with others, and actively participate in the community. That's how we fulfill our mission.

CREATING MEANINGFUL DAYS

Our ADS Program provides a variety of activities that are both fun and educational. Some of these activities include:

- Music therapy and musical experiences
- Exercise and health-wellness education
- Animal visits and care
- Nature and hiking trips
- Art education and expression
- Seasonal and holiday celebrations
- Healthy snack preparation
- Community Events
- Volunteering
