PORTAL, INC. GENERAL INFORMATION

CONNECTING TO THE COMMUNITY

Portal, inc. has been providing continuous services since 1965 and was started by families and community members.

We believe everyone's unique and personal contributions matter as we live, work, socialize, learn, and recreate.

Together, we make our community great.

Portal, inc. is a nonprofit organization serving adults and transition-age high school students with intellectual and developmental disabilities and their families.

As an organization, we seek to enrich individuals' lives by developing each person's unique gifts, talents, personality, and potential.

We also encourage independence while providing services and supports needed to live a full and meaningful life.

Employment with local businesses and giving back to the community by volunteering are both encouraged and help build long-lasting connections.

We strive to deliver relevant, strengths-based services within the local community.

WHAT WE DO

Here at Portal, inc., we offer core programs that help individuals in key skill-building and community involvement.

Adult Day Services: Participants are involved in engaging community activities. Individuals are supported as they learn about life skills and interacting with others while creating a purposeful and enjoyable day based on interests, needs, and personal goals.

Employment Services: Through mentoring and discovery of interests and strengths, we assist individuals in seeking employment within community businesses.

Recreation and Leisure: This program promotes choice, wellness, and well-being through socialization within the community. Activities are based off the interests expressed by participants and provides respite for caregivers.

WHO WE SERVE AND SUPPORT
